DONATIONS

How You Can Help....

Garden Center Services continues to face the challenge of meeting the needs of those currently enrolled in programs and providing opportunities for future participants. Although Federal, State, and United Way funding support our endeavors, Garden Center Services flourishes because of private contributions and support from individuals, businesses, foundations, clubs, and organizations. Financial, volunteer, and gift-in-kind donations are sincerely appreciated.

Garden Center Services provides a future filled with hope for people with developmental disabilities. Your interest, generosity, and involvement turns that hope into reality.
